

Here are 9 simple actions you can do around your home to be an Everyday Environmental Hero.

NEIGHBORHOOD

- 1. KEEP IT CLEAN** - Keep sidewalks, curbs and gutters in front of your property clean.
- 2. DUMP NO WASTE** - Stencil storm drains with the message, "Dump No Waste, Protect Our Waters ... For Life," and keep household cleaning products from become hazardous waste.
- 3. DO IT RIGHT** - Use water-based paint and discard properly.

CAR

- 4. DON'T BE AN OIL DRIP** - Identify and fix oil leaks on your vehicles; purchase used oil change box, soak up spilled oil and dispose appropriately.
- 5. NO PHOS-FOR-US** - If you wash your car on a City street, use plain water or cleansers sparingly.

YARD

- 6. COVER UP** - Prevent soil and debris from leaving your property.
- 7. READ THE LABEL** - Use only the amount needed of pesticides and fertilizers.
- 8. YARD MAKEOVER** - Gather grass and tree cuttings and dispose as green waste, compost your yard trimmings.
- 9. POOP SCOOP** - Remove and dispose of pet waste before you leave an area.

You can make a difference, both on the job and in the community. Share your knowledge with co-workers, neighbors and family.

To participate in cleanup projects, report illegal discharge or dumping on Oahu, call the City's Environmental Concern line at **692-5656** or visit www.cleanwaterhonolulu.com.

Discharging pollutants to the storm drain system is against the law. Violations of the Clean Water Act can result in fines of up to \$25,000 per violation, per day.
